

Association Communications week 9

5 March 2021

Dear associations,

We have a few things for you this week.

Contact details

Our interns (Josie and Georgy) have been trying to contact the associations regarding different information. One of them being the contact details we have on the website for each association. We understand the associations are very busy at the moment but it would be appreciated if you could respond to the emails with the correct information as well as a short description about your association. We can then update the website accordingly.

Also, we have requested the participation data for terms 3, 4 2020 and term 1 2021. Once again, it would be appreciated if you could get this information to us as soon as possible. This information needs to go to Sport New Zealand.

April Development Camp

We have opened the registration for the North Island Indoor Development Camp. The South Island Development Camp will be announced as soon as possible.
