### **Funding opportunity reminder**

Ara Taiohi, kaitiaki of Youth Week, have opened their Youth Week 2021 grant process. This process will fund events that celebrate and create youth development opportunities for young people and their communities.

Youth Week is a nationwide festival of events organised by young New Zealanders to celebrate the talents, passion and success of local young people.

Ara Taiohi are really aware that the ongoing COVID-19 climate throws a lot of uncertainty into the mix, however they believe that we will navigate this pandemic together *with* young champions and their young people.

**We're Stronger Together** (is the Youth Week 2021 theme) and Ara Taiohi believe that this is an opportunity to create, design and deliver events through all Level changes. Your young people have done this before - and we know that it's probably going to yo-yo for a while. So as a community, they want to develop their agility and adaptability.

**The grant applications will follow the same process and also includes some contingency planning.**
