

## Association Communications week 13

1 April 2021

Dear Associations and interested parties,

What an amazing week we had last week with NZSSVC! We saw some great volleyball and received a great deal of positive feedback. Thank you to all who contributed to the success of this tournament, including volunteers, referees, coaches, schools, athletes, parents, Palmerston North Volleyball, Volleyball Manawatu, Sports Chaplaincy and everyone else who contributed.

### April Indoor Development Camps

The Indoor Development Camps for the April school holidays are coming up for both the North and South Islands. They have proven to be popular as the North Island Camp is already full! The South Island camp located in Nelson still has spots and we ask everyone to please promote this camp. The SI Camp is the 28<sup>th</sup>-29<sup>th</sup> of April at the Saxton Stadium in Nelson. More information can be found on our website.

### Pasifika Advisory Group

The VNZ Board are creating a Pasifika Advisory Group with the key objective of ensuring a Pasifika voice reflecting local Pasifika community needs across NZ is heard for volleyball in New Zealand. Key functions will include advising on how to help grow Pasifika engagement in volleyball, advising on prioritizing resources to ensure Pasifika thrive through volleyball and bringing knowledge and extra insight to volleyball in NZ to address the needs of Pasifika.

We are looking for diversity in age, gender and geographical location as well as volleyball experiences and involvement from community through to performance. Meetings would be 2 -3 times annually with costs covered for any meetings requiring travel.

Associations are requested to nominate personnel (no more than two per region) with name, contact number and email and to forward this information to the Pasifika community so there is a depth and breadth of representation. Nominations to [admin@volleyballnz.org.nz](mailto:admin@volleyballnz.org.nz) by May 4 2021.

### NZSSVC

### Child Protection Policy

VNZ has updated its Child Protection Policy. The full document can be found on our website. We have decided to adopt Sport New Zealand's policy as this fitted very well with our own views. If you have any questions regarding this policy please contact Renee at [admin@volleyballnz.org.nz](mailto:admin@volleyballnz.org.nz).

Have great Easter break!
