

## Dynasty Sport becomes apparel partner for Volleyball New Zealand

Rapidly expanding international sporting apparel brand Dynasty Sport has agreed to become the apparel partner for Volleyball New Zealand.

The agreement will see Dynasty Sport supply the cutting edge on and off-field apparel for the Volley Ferns, Volley Blacks, Beach Ferns and Beach Blacks, all Junior New Zealand teams, the National Volleyball League (NVL) plus supporter's merchandise.

The apparel range for Volleyball New Zealand's teams will carry each senior team's logo, plus features a new design with ferns sublimated into the jersey, and a prominent fern across the front, giving the uniform a uniquely New Zealand feel.

"We are looking forward to assisting Volleyball New Zealand. Dynasty Sport are excited to provide a range of apparel that not only provides players with our cutting edge on and off-field kit, but also embodies the rich history and culture of Volleyball New Zealand through our range of supporter apparel." Dynasty Sport Director, Tyler Rakich said.

As part of the partnership, Volleyball New Zealand and Dynasty Sport are excited to launch an online store, [Click here](#) specially for New Zealand volleyball players and fans. Dynasty Sport continues to expand its operational footprint across New Zealand and Australia, partnering with a host of national and international teams.

The Dynasty Sport team pride themselves on providing exemplary levels of service and the highest quality on and off field garments to sports teams here in New Zealand and across Australasia, boasting an administrative team widely recognised as being best in class across the competitive apparel and team wear space.

Volleyball NZ joins Dynasty Sport's considerable portfolio alongside the Manly Sea Eagles, New Zealand Cricket's Super Smash and Canterbury Rugby Union.
