SEEDING & DRAWS

Seedings are attached to this email (Midlands seeding to follow). Email me if there are any changes to your team entries. Draft draws will be available on Monday.

UNIFORMS

We request that teams send a photo of their playing kit by **Wednesday, 27 September** to ensure that all are the same. By informing VNZ ahead of time, we reduce the number of uniform issues and sanctions during the tournament and can focus on playing the game. **Uniforms are both tops and bottoms and should be matching in design and colour.**

Uniform tops should be the same design and colour. Uniform numbers must be clearly visible front and at the back and numbered from 1-99. Although specified in the Manual, we do not require the captain's shirt to be identified with a line, but we highly recommend that this is followed.

The libero must wear a uniform top that is in distinct COLOUR CONTRAST to shirts worn by other members of the team and must be recognized from all angles as being in clear contrast to and distinct from the other members of the team. It is recommended that the libero's uniform is a different top in colour and design.

Uniform bottoms must be the same in colour and design. Small logos are allowed but big visible logos and stripes are not allowed unless all players wear the same shorts. The length must be the same for all players.

Again, please send a photo of your playing kit and email me if you have any questions.

TEAM LISTS

Team lists are due tomorrow 22 September Friday. Please add your player uniform numbers. Contact Finlay at vnz1@volleyballnz.org.nz if you need further assistance entering your team list.

We will go through your queries and do our best to address them personally or if there is still time, during the Technical meeting.

I will email again next week with final reminders.
